Below it is a grey and red mechanical arm. In the bottom left corner is a grey and red mechanical arm. In the bottom right corner is a yellow and black mechanical arm. The background is a textured, brownish-yellow surface.

**Here's how to use  
your exclusive  
BIONICLE checklist!**

- 1 • You'll find pictures of the latest BIONICLE sets on both sides of this card. By each picture, there's a check box.
- 2 • If you still need a set to complete your collection, just check the box by its picture.
- 3 • Once you've checked off all the sets you want from the list, give the card to your Mom or Dad. That way, they'll know what you want the next time they are shopping for BIONICLE gifts. You can also tear off the second card and give it to a friend, so he can have a checklist of his own to use!
